

# LSUE

Office of

## Admissions

Best of luck as you finalize the 2016-2017 academic year. This letter is to request your assistance in promoting the enrollment opportunities at LSU Eunice. We are committed to establishing a strong foundation for your students as they begin their college career and stand ready to walk them through the process. We realize the transition into college can be difficult, so we have an individualized approach to support student success.

For students who have applied for admission to LSUE, we offer orientation dates designed to acquaint them with college life, learn about success strategies, schedule their courses, and meet other students just like them. Orientation is mandatory for all incoming freshmen because it helps them get ready for the next step beyond high school. Before attending an orientation, students must schedule their session at [orientation.lsue.edu](http://orientation.lsue.edu) and pay the \$15.00 orientation fee.

Your students are encouraged to select the next available session so they get the best class times and can enjoy their summer stress free because they are enrolled. We have sessions on the following dates:

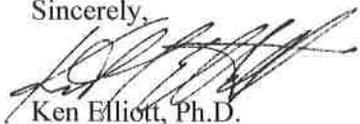

April 4 <sup>th</sup>	May 30 <sup>th</sup>	July 18 <sup>th</sup>
April 18 <sup>th</sup>	June 15 <sup>th</sup>	August 9 <sup>th</sup>
May 17 <sup>th</sup>	June 29 <sup>th</sup>	

Because seating is limited, students should not delay in discussing a date with their parents and signing up. To help us promote the LSUE opportunity, we would be grateful if you could post flyers at various locations on your campus for increased visibility and publicity.

If your students are on the fence about their college choice, we encourage them to contact us or schedule a campus tour at [www.lsue.edu/tours](http://www.lsue.edu/tours). If they have selected LSUE but have not applied for admission, they may complete the application for admission at [apply.lsue.edu](http://apply.lsue.edu) and pay the \$25.00 application fee. After we process their application, they will be eligible to sign up for orientation.

If we can assist you in making college more accessible to your students, please feel free to contact us. We are excited to partner with you on the next leg of your students' educational journey.

Sincerely,

Ken Elliott, Ph.D.
