

Summer Schedule 2015

Practice Schedule Until Further Notice

All new (never played before, or never played for CHS before) or freshman players will practice 7:20-10am Monday-Thursday, and 9-11am Fridays

Varsity and JV will practice from 8:00-11am Monday-Thursday and 7:00am-9am Fridays

June games

June 17th we play at Northside High School at 12:30, 3:30 and 4:30pm

Junior Varsity and Varsity will be playing

We will not have a bus

Students that can drive will drive themselves

Students who cannot drive need to secure a ride

All players MUST be at NHS by 11:15am

A caravan will meet at CHS at 10:30 am and leave CHS at 11:45am

I would like ALL members to be there to watch the games, even if you are not playing. This will serve as a learning experience. I will be teaching the New Players to take stats and this will help them learn about a tournament environment.

All players must stay at N+S until after the first game. If players would like to leave to get food at the shopping center they may do so after the first game, but they must be back by 2pm

There will be concessions available so bring money. They will not allow ice chest in the gym but they will allow girls to bring drinks and snacks in their gym bags. The team will have a team set of water bottles.

There is NO AIR CONDITIONING so PLEASE be prepared. The following is a list of items that would be good to have: Battery operated personal fan, hand towel to dry off, granola or energy bars of some sort, fruit, a few sports drinks, deodorant, money for concessions. (if we have time we may send someone to subway to get food but money must be paid to the person prior to them purchasing it)

I will be sending another letter soon regarding parent meeting and July games.

Just a heads up I am trying to keep the cost of all equipment and fees for the girls around 200 dollars. If you would like to start working on sponsors you may do so. We will be doing a payment plan as usual. Returning players cost will not be as high as they already have most of the equipment, and seniors will not pay a seniors night fee.
